"Strike For Excellence and Success – The Odd or Even In Life"

Synopsis

Does academic qualification ensure success in career and life? It certainly won't.... Pursuit of excellence is a life-long endeavor and an embedded attitude. Success can be obtained if you: "...care more than others think is wise; ...risk more than others think is safe; ...dream more than others think is practical; ...expect more than others think is possible."

The speaker will share several of his personal tips, real stories and experience in searching for excellence and success in career and life, and the rewards and trade-off that come along with it, in his past 26 years of professional management path.
