

American Politics at the Crossroads: Potential Implications of the **2012 Presidential Election**

After four years, the American Presidential Election is back! Who will be the next president of the United States, Obama or Romney? And what policies will the U.S. adopt toward China? During this seminar, American senior commentator Dr. Thomas Schaller will talk about the prospects of this election.

Speaker: Dr. Thomas Schaller

Dr Schaller teaches courses in American government, including the U.S. presidency, Congress, and interest group behavior. A twice-monthly political columnist for the Baltimore Sun. Dr Schaller is a member of the Sandy Hillman award-winning blogging team at TAPPED, the group blog of The American Prospect magazine.
