

Visits to UM from Local Kindergarten, Primary and Secondary School Students—School Outings

To make it more convenient for local kindergartens and primary and secondary schools that wish to organise school trips, spring/autumn outings, and other outdoor activities at the University of Macau (UM), we launched a programme called ‘Visits to UM from Local Kindergarten, Primary and Secondary School Students — School Outings’ in June 2017, which has been very well received. If your school is interested in organising the above-mentioned activities on our campus, please fill out the application form and return it to the Communications Office by email or fax.
