"The Code of Ethics for Civil Engineers"

by

陳滿鋒 博士
乘風土木工程顧問公司董事

Date: 22 March 2011 (Tuesday)

Time: 4:30pm – 6:00pm

Venue: L105, University of Macau

Abstract

Along with the rapid development of the city, civil engineers should recognize the increasing importance of the ethical principles and moral obligation when working in the civil engineering industry. This seminar will give an overview on the work ethics in civil engineering.

ALL ARE WELCOME!
