# Sex work unveiled

By  
Sex workers and staff from Zi Teng (紫藤)

Sex work is perhaps one of the oldest professions in the world; yet, it is also the most misunderstood and marginalised kind of work in our society. In order to challenge the myths and misperceptions, sex workers and staff from Zi Teng (a concerned group for sex workers) will share with us their first hand experience regarding their work and the difficulties they face.

Venue: Auditorium-II

Date: 8 Apr 2011

Time: 10:30 to 12:00

Language: Cantonese

( with simultaneous interpretation in English )

All are Welcome!
