**Mr. Albert CHOW**

**Director of Qualifications  
Hong Kong Institution of Engineers**

**Abstract**

This Seminar aims to introduce the Engineering Graduate Training Scheme “A” of the Hong Kong Institution of Engineers (HKIE). It includes HKIE Scheme “A” Training philosophy, organisational matters & operational procedures and requirements for registration as Scheme “A” approved companies and trainees.

## **Biography**

Mr Albert CHOW is currently the Director of Qualifications of the Hong Kong Institution of Engineers. Concurrently, he is also the Registrar of the Engineers Registration Board established under the Engineers Registration Ordinance. Mr CHOW has extensive experience in accreditation, training, continuing professional development and international recognition. He was responsible for developing accreditation systems for engineering degrees, computer science degrees and higher diplomas in Hong Kong leading to international recognition under the Washington Accord, the Sydney Accord and the Seoul Accord. He was also responsible for establishing 16 Reciprocal Recognition Agreements with authorities all over the world, including two agreements on mutual recognition on Information Technology qualifications. He is currently a Member of the Hong Kong Institution of Directors, a Fellow of the Institute of Administrative Management (UK) and a Member of the Chartered Management Institute (UK). He was a Founding Member, Treasurer, Executive and Council Member of the Chartered Management Institute (Hong Kong Branch).

**All are welcome!**
