Who Does the Thinking in Your Classroom?

2015 CTLE Spring Workshop Series

Wednesdays 12:15 – 1:45 pm
Refreshments at 12:00 noon
Venue: BOC Centennial Building E3
Third Floor, 3046

Mr. John Sager

Hong Kong Polytechnic University

This workshop will help teachers reflect on how they prepare and deliver their course materials, how to increase student feedback inside and outside of class, and how to get students to do more of the thinking.

Mr. John Sager is an educational development officer at Hong Kong Polytechnic University, where his current duties include working with new and experienced academic staff facing the challenges of teaching 21st Century Asian students.
