Historical Knot:

Ryukyu Issue and the China-Japan Relations

Prof. Bizhen Xie Fujian Normal University

Biography: XIE Bizhen is Professor of History and Ph.D. Supervisor at Fujian Normal University (FNU), Director of the Centre for Studies of Fujian and Taiwan, FNU, the key research institute of humanities and social science of the Ministry of Education, PRC, and of the Association Chairman of China Overseas Communication History. His major publications include *Diaoyu Islands: History* and Sovereignty (2013), China and Ryukyu (1996), Research on the Maritime Trade between China and Ryukyu (2004), History of Fujian Overseas Cultural Exchanges (1997).

Abstract: The ancient Ryukyu used to be a China's vassal state. When Ryukyu being annexed by Japan in 1879, Chinese and Japanese government negotiated incessantly on the issue of sovereignty of Ryukyu. After the World War II, Ryukyu was sentenced to under the joint administration of the Allies, and after that Americans returned Okinawa to Japan in 1879. Ryukyu Issue was undoubtedly a "Historical Knot" among China-Japan Relations.
