The Library Campus Seminar Series:

Making University Life More Interesting

Saturday, May 15, 2010

This fourth and final installment in the Seminar Series will address:

Enhancing Campus Life

People may hold different views of university life. What do you say? Is it interesting or dull? How are you feeling now? Are you gaining or losing self confidence and creativity. Regardless of how you answer these questions let's brainstorm some ideas regarding how to make our University lives extraordinary and enjoyable. We'll begin from 'HOME' - U-Mac campus!
